INTERVIEW GARCIA:

Upon speaking with Lawrence Garcia, he stated that he and Carmack exchanged communication via e-mail on September 26, 2018 regarding the civil suits. Garcia allowed me to observe the e-mails listed as "settlement offer" in the subject heading.

ORIGINAL INCIDENT REPORT

ORIGINAL DATE: Mon, Nov 26, 2018	INCIDENT NO: SIS-0000036-19
TIME RECEIVED: 0800	FILE CLASS: 21000

Garcia allowed me to observe a handwritten note that he penned after speaking with Carmack on the telephone:

"Day before Mayor goes to Israel (11/06/18-maybe?)

T/C with R. Carmack Re: negotiations.

He asks when can we resolve. City cannot abandon title/claim to property w/o compensation. Carmack says he won't pay anything. Carmack asks to settle before he makes some noise. Not afraid of lawsuit. He says he's about to drop a bomb. Asked how can we resolve w/o consideration for property given up...

Carmack wants Fort Wayne. Says he knows President Trump... Told him to seek relief from Trump."

Garcia confirmed that Carmack told him on the phone "you better make me happy or I'm going to drop a bomb" and further stated that it was apparent that Carmack want to "shake up the Mayor" but didn't know if it was necessarily extortion.

STATUS:

This investigation is being closed and will be re-opened should additional information be learned.
